October 7, 1953 — Coronado Woman's Club — Vol. IV, No. 1

President - - - - - - - - - Mrs. A. R. Boileau, Presiding

Program: Speaker, Admiral William Harrison Standley, USN. Our former Ambassador to Russia will talk on "Russia — and Communism in the United States." At a time when we are all living with a constant, uneasy awareness of the Kremlin, we are indeed fortunate in having this internationally famous American address us.

The program will be presented by Mrs. H. L. Rose.

Mrs. William R. Nichols will lead the Club in the Pledge of Allegiance to the Flag and in the Collect.

Tea Hour: Mrs. Walter W. Crosby, Chairman, will have as her committee: Mmes. Lawrence R. Chamberlain, William L. Friedell, Curtis Hinkle, Luther Kennett, Thomas D. Guinn and Robert Thomasson.

Presiding at the tea tables will be Mmes. Herman W. Hughes, Harwood H. Fawcett, A. L. Chytrus and Walter A. Garness.

May we present: Our new Hostess Committee, under the Chairmanship of Mrs. William T. Booth, co-chairman Mrs. Elwin T. Anderson. This committee will function during the Tea Hour and will see to it that we meet our new members and that none of us is left clutching a cup of tea and staring off into space. Hostesses for the October meeting will be Mmes. Elwin T. Anderson, Ben Wyatt and Ross T. McIntire.

Remember: No reservation, no hostess, pre-meeting luncheon at La Avenida, twelve noon, October 7.

Year Book Changes: It is with regret that we report that resignations have been received from Mmes. A. H. Gray, Ned H. Faubel, Lewis Jarvis, Charles Watson, Edgar E. Webb, George Estey, Richard Whitmore and Clyde Bowman . . . Mrs. Curtis Hinkle and Mrs. Ben Wyatt have requested Associate Memberships. Mrs. Arthur B. Owens' new address is 415 F Avenue, Apt. 1A.

Any good used children's or women's clothing is acceptable.

The Section Snoop: Your reporter, having more curiosity than the proverbial cat, has decided to look in on the sections, one by one, and let you know what all these busy people are up to. A visit to Arts and Crafts has left us with itchy fingers. They make **everything.** There's china painting, linoleum block printing, leather work, copper, textile painting, glass etching, to name a few. You can get instruction for almost anything you want to do. So if you feel the urge to create, pack up a sandwich for your lunch and join them. They are a wonderfully warm and friendly group, and they'd love to have you. You can make something beautiful and have a thoroughly good time doing it.

Year Book Changes: New Members are Mmes. Francis E. Pierce, 1024 Glorietta Blvd.; Donald Spicer, 811 Country Club Lane; David B. Justice, 1214 5th Street; Leon W. Johnson, P.O. Box 492; Lyell S. Speak Easy:

There will be no meeting of this section in December.

The Section Snoop: Your reporter paid a call on the Sewing Section this month. This busy group was hard at work completing its Christmas project for the Red Cross. They have made and decorated a stack of gay red stockings which the Red Cross will fill and distribute to needy Coronado children. They are also making lovely little dresses for pre-school age youngsters and donating gifts of clothing for small boys. After the holidays they will return briefly to their own personal sewing. Then before you can say Fiesta, they will be absorbed in turning out the attractive things they sell each year at our Spring party. Right now we all owe this group a special vote of thanks for they have undertaken the mending of the Club's lace tablecloths.

Welfare: It's time again to prepare our Christmas party for the Zia Indian children. Please bring gifts of toys, games, drawing material or any good, used children's clothing. The ages of the children are five to fifteen. Do not gift-wrap your package. If for some reason you can't bring a package, a gift of money to buy books will be just as welcome.

Civic Interest: Volunteers are still needed to wrap packages for the enlisted personnel at North Island, on December 3rd, 10th and 17th, morning and afternoon sessions. If you can help, call Mrs. Leo Baker or Mrs. John Blakely.

Ways and Means: Our Christmas Food Sale will be held on December 4th in front of the Village Theatre. The sale starts at 9:00 A.M. but members of the Committee will be on hand to receive food at 8:30 A.M. so bring in your contributions as early as possible. Please write the estimated cost of the food on a slip of paper and attach it to the container. On casseroles, list the main ingredients. Directions for preparing deep freeze dishes for serving would also be helpful . . . Anyone desiring foil casseroles, dessert dishes, pie pans, freezer jars or waxed tub containers may get them from Mrs. J. T. Talbert, H. 3-5640. You may also call Mrs. Talbert no later than December 3rd, if you wish pick-up service for your contribution . . . The success of our Christmas Food Sale depends on the food that you give, so please bring lots of good things to sell.

To all of you, a very Merry Christmas and a Happy New Year!

The Section Snoop: Saludes, Senoras! Well, it seems there are two verbs "ser" and "estar" and they both mean "to be", but very different kinds of "to be". All of which is somewhat confusing. However, the members of the Spanish Section, under the cheerful tutelage of Senor Rosado are gaily tossing "soys" and "estoys" right and left and we have no doubt that six months from now they will all be South of the border haggling with the merchants like old hands. When this happens, we hope Senor Rosado will continue commuting across the bay from San Diego so that those of us who were unable to enroll this year can do so next time. In anticipation we are all absorbed in a little booklet entitled "How to Learn Spanish Pronto". Now let's see. Que, cuando, donde, quien, porque . . .

Membership: The Membership Committee wishes to point out that only twenty new members may come into the Club before there will be a waiting list. So bring your guests to the January meeting. They may then be members by March.

Ways and Means: The Ways and Means Committee wishes to thank all the Club members who donated their time, food and money to the Christmas food sale. Thanks also to those who furnished the poster, banners and decorations. Without your help the sale would not have been possible. We deeply appreciate the kindness and cooperation of Mr. Kramer who again allowed us to use the foyer of the Village Theater.

Hospitality: A dinner party will be held at the Coronado Yacht Club on Thursday, January 28th. Paid reservations may be made at the January meeting, and any time after that up to January 20th when the reservations will be closed. You may bring your husband or any other companion.

Courtesy: Congratulations to Mrs. H. W. Beyette who has just become a grandmother. And to Mrs. Joseph D. McKinney who has acquired a son-in-law and Mrs. W. R. Nichols who has a new daughter-in-law.

News Item: When the Government Section met its untimely demise, it left an estate of $2.25 which has been bequeathed to the building fund.

The Section Snoop: The trouble about public speaking is that while you are certain you are going to drop dead, you never do. You just keep the symptoms—rubber in the knees, twitching facial muscles and dry mouth. Unless, of course, you are a smart girl, and join the Speak Easy Section. Your reporter came away from a meeting of this group dazzled by the presence and aplomb of its members. Each meeting is formally conducted so they also learn the fine points of parliamentary procedure. We were fortunate in hearing Mrs. Robert Bradt, our Club parliamentarian, discuss the privileges and obligations of a club member, and Mrs. Walter Stitt presented a magnificent book review. Our only regret is that we'll never again be quite happy with that "clutching-the-back-of-the-chair" technique we had perfected for our rare public appearances.

Federation News: On Saturday morning, February 6th, at 9:00 A.M., our President will be on the air—Station KGB.

Ways and Means: The Spring party and bazaar is the next project of the Ways and Means Committee. Now is the time to start making plans for this project in which all Club members are expected to participate. The Chairman of Ways and Means requests that each Section submit to the Committee its fund-raising ideas for the Bazaar as soon as possible.

Welfare: This has been a busy committee. Several cartons of used clothing were taken to the Big Sister League in December . . . Self-Seller boxes for Christmas seals were collected by Mrs. Charles Free and Mrs. Ivan Miller and turned over to the San Diego County Tuberculosis and Health Association. A report from that office states that $78.52 was collected in Coronado this year . . . Members of the Welfare Committee are planning a ward party for patients at the U. S. Naval Hospital on February 12th from 7 to 8:30 P.M. . . . Letters and pictures from the Zia Indians will be on display on the bulletin board.

The Section Snoop: We cannot help but display a proprietary interest in the Afternoon Book Section. It is our section and the one we love best. We have enjoyed immensely the wide variety of books presented and the stimulating discussions this material has evoked. For example, at our last meeting Mrs. Walter Stitt presented an absorbing review of H. Austin Adams' book about John D. Spreckels. This gave us not only a character study of an outstanding man but a wealth of history of San Diego and Coronado. We learn and we have fun too. Why don't you come see us some time?

Welfare: On February 26th, several members of this committee, accompanied by our President, provided a happy evening for 35 men in one of the wards of the U.S. Naval hospital in San Diego. Ice cream, cake and candies were served and prizes presented for games. And a very good time was had by all.

Hospitality: Our dinner party at the Coronado Yacht Club on January 28th was a huge success. The 97 people who attended were entertained by a demonstration of hypnosis presented by Dr. D. B. Chatterton of San Diego. The roast beef was good too.

Ways and Means: This committee is busy planning our annual garden party and bazaar to be held May 13th in the beautiful garden of Mrs. John W. Vann. The bazaar will be supervised by the Sections. There will be a food table, potted plants and flowers, white elephants, hand-made aprons and other articles. Fortune-telling will be a special attraction. Mrs. J. T. Talbert, Ways and Means Chairman, requests that Club members submit to her the names and addresses of friends to whom they wish invitations sent.

News Item: The Garden Section has such an unusual program afoot, we thought it deserved special mention. They have chartered a bus for a trip to the International Flower Show in Hollywood Park on March 18th. The bus will leave from the East Plaza (across the street from the library) at 6:30 A.M. Twenty-seven reservations have been accepted but there is room for 14 more. Cost—about $4.00 round trip. If you're interested, call Mrs. Corriere, HE 4-3694.

Courtesy: We are happy to report that Mrs. Frank E. Deam is recovering from her long illness and would welcome callers.

The Section Snoop: Some time in May, the Music Section will present a complete program to the San Diego Musical Club. And no wonder. For our little group boasts many fine musicians of professional calibre. We very much enjoyed a program of folk music at the last meeting. But it was a near thing. This section is so enthused about its project for the Spring party, it could hardly stop discussing it long enough to play. They are to have charge of the fortune telling and will also have a booth called Dolls Allegro. Tres gay and intriguing. Just wait till you see.

And speaking of the party, **Ways and Means** reports everything is ticking along on schedule. So mark it on your calendar—Rainbow Festival, May 13th, at 12:30 P.M., in the garden of Mrs. John W. Vann, 830 Glorietta Blvd.

Welfare: This committee would like to make one more contribution of clothing to the Big Sister League this year. You can drop your donation in the container just inside the entrance, at the April meeting. If you would prefer to have them picked up at your home, please call Mrs. Elliott Buckmaster (HE 4-4045) or Mrs. Ivan Miller (HE 4-5137). They would be glad to collect them . . . The Welfare Committee gave its support to the Blind Benefit Carnival presented April 3rd by the San Diego Braille Club.

Membership: Our Membership Chairman wishes to remind you that this is the last meeting to which you can bring a guest and have her join the club this year. The May meeting is closed.

We have been requested to bring you the following announcement: "Many thanks for the generous response of Club members in donating articles for the U.S. Naval Hospital and the Easter Bonnet Trimming contest. . . . Since our last meeting several hat boxes of trimmings, 98 magazines, 1 dictionary, 16 books, pencils, 6 cakes of soap, 11 packs of cards,

The Section Snoop: Did you know Coronado was once ablaze with wild flowers? We learned this along with a wealth of lore when Mrs. Arthur Benedict talked on Wild Flowers to the Garden Section. And we also learned what a tremendous job this big active section was doing, not only for our own Spring Party but for Coronado's annual Flower Show. As usual, they took charge of the entire growing plants section of the show, handling more than 65 exhibits and, we are proud to say, capturing a number of awards. Particularly interesting was their exhibit of herbs. We understand studying and cultivating these plants was a project of the Section this year. Perhaps we'll be able to buy a little pot of winter savory or thyme at our party. Whatever they have for sale will be worth having. This section does everything so well.

Welfare: Very few of us think of Coronado as a community where there are needy families. Unhappily there are some and just recently our Welfare Committee was called on to supply a very destitute little six year old boy with clothing. It gives us a good feeling to know our gals are right there eager and willing to help.

Ways and Means: Plans for the Rainbow Festival are now complete and from here it looks like another outstanding party. It is hoped you will all be there, but if for some reason you can't attend, you will help the club greatly by selling your tickets to friends . . . Mrs. Thomas Guinn, Mrs. Charles Allen and Mrs. Russell Davis are in charge of tickets . . . The Speak Easy Section which is sponsoring the food table and Arts and Crafts which has the Treasure Chest table are both asking for donations from all members. Their success depends on your supplying them with merchandise. Articles for the Treasure Chest should be given to Mrs. Cridge before May 11th. And food should be taken to Mrs. Vann's by 11 o'clock on the morning of the party.

By this time next month we're sure we'll all have rainbows round our shoulders. Ways and Means has done a tremendous job and with a final boost from us, we're bound to have a roaring success.

Good luck to all of us.

The Section Snoop: Evening Books was our last call and we spent an absorbing evening with the life and times of that old pirate W. R. Hearst . . . We hope the reports of our visits have given you the yen to go visiting too. Shop around. You're certain to find a group where you'll feel at home. Or if you see any program listed in the Coroscope that sounds intriguing, by all means telephone the hostess and invite yourself over. You'll be more than welcome.

A Bouquet to our bouquet makers. Our garden section deserves thanks from all of us for the exquisite corsages they have made for the President at every meeting, and to greet each new member. They're supplying all the corsages for the installation, too.

Another Bouquet to our music-makers. On the 2nd of May, the Music Section presented a program of voice, violin and piano to the San Diego Musical Club, a group of professional musicians. It must have been utterly delightful for those who were fortunate enough to hear it are still raving.

Attention, Students! Those interested in a beginners' or advanced Spanish class, call Mrs. Karl Smith, HE 4-4577.

Civic Interest: Again this year, the Club sponsored an essay contest for the Driver Education class in the Senior High School. Topic was "Responsibility of a Licensed Driver" and over 100 boys and girls competed. Prizes will be presented to the three winners at this meeting.

Ways and Means: Wasn't that a wonderful party? The food was delicious, the rainbow dazzling and the grandbaby dolls the cutest things we ever saw. Everyone worked so hard. Letters of thanks have been sent to the merchants who so generously donated prizes. And to Dr. and Mrs. Vann for loaning us their lovely garden. To Miss Charlon Carrol for the posters. To Mr. Bram of La Avenida who donated all the coffee and those lovely cut flowers the Garden Section sold. To General Beyette, the engineer for the rainbow. To Mr. Louie Gadske who made the framework for the rainbow, donating his services. To Mr. Arthur Chytrus who furnished transportation for the chairs and tables and Mr. John Robertson who provided transportation for the rainbow and is now storing it for us. To Mr. Ware Marshall, technician and announcer. To the Island Florists for the florist's paper used by the Garden Section. That's a very impressive list and we are indeed grateful.

The Red Cross Council, US Naval Hospital, San Diego, was organized in January 1953, and in line with Red Cross policy of inviting a representative from two community organizations, outside Red Cross, to accept representation on this council, the Corona do Woman's Club was the first organization to accept the invitation. It has maintained membership on the Council for two years, with Mrs. Joseph Talbert serving as chairman.

The Council serves as a part of the Red Cross recreation program which enables verious organizations and communities of the County to channel services and materials to the patients in the hospital. Mr. Robert Baird, vice chairman of the Coronado Branch is Council chairman, and Mrs. Medford Courtney of Chula Vista, is secretary.

The Northern half of San Diego County provides a Red Cross Council for Santa Marguerita Hospital, Camp Pendleton, while the Southern half of the County serves the San Diego Naval Hospital. Communities holding membe 'p on the Countil are Alpine, Chula Vista, Coronado, Dulzura, El Cajon, Encanto, Grossmont, Imperial Beach, Jamul, La Jolla, La Mesa, Lemon Grove, National City, Palm City and San Ysidro.

The Welfare Committee of the Coronado Woman's Club acted as hostesses for a "Ward" party in February. Committee members furnished ice cream and cake for the patients.

Easter Hats Good For Laughs, Morale

Naval Hospital patients, assisted by Red Cross workers, cut and sewed a number of hats in recent weeks.

They came up with some dillies, and decided to hold an Easter hat contest by wards.

Judges were Mrs. T. J. Rutkowski, Mrs. R. M. Gillett and Mrs. A. H. Staderman. They decided as follows:

Most beautiful hat, John Martino; most fantastic, Thomas Williams; most unusual, M. J. Parker; most wearable, Edward Laffon. It took three male milliners to create the funniest, Charles LeCroy, George Moore and Richard Drake.

The creations were made from cardboard plates, cups, crepe paper, ribbons and old flowers. Prizes of stationery were awarded by the Advertising & Sales Club of San Diego. Each box was imprinted "Prize of 1954."

The ward with the greatest number of most beautiful hats was awarded a hostess party. The patients planned the party and served as hosts.

Need Materials For Servicemen In Hospitals

The Red Cross office will be a collection station for materials requested by the young service men patients at U. S. Naval Hospital.

All are materials used in the rehabilitation of the wounded in their hobby shop. Any Coronadan having access to the following articles may leave them at the local Red Cross office: scrap hardwood and plywood, small pieces; box type cameras, stones for lapidary shop, old tweezers to be used in shellcraft, 45 rpm recordings, either popular or Christmas, guitar strings, Christmas wrapping paper, ribbons and seals.

450 Attend Annual Party Of Coronado Woman's Club

A heavy overcast broke just in time yesterday to allow the fourth annual spring party of Coronado Woman's Club to live up to its "Rainbow Festival" theme.

The garden at the home of Dr. and Mrs. John W. Vann was literally drenched with sunshine—nice, warm sunshine—when more than 450 guests started arriving for the luncheon and bazar.

The luncheon was buffet style and while it was being served strolling troubadours moved among the guests. After lunch, the booths went into operation.

Part of the proceeds will go to Coronado Hospital, the rest largely to civic and philanthropic projects. Mrs. J. G. Talbert was general chairman of the affair. Mrs. J. D. McKinney was assistant chairman.

'Growth of Friendship' is theme of garden party

"Rainbow Festival," signifying hope for the growth of friendship, is the theme selected by Coronado Woman's Club for its fourth annual garden party. Friendship has motivated the club activities and will keynote the luncheon-bazaar to be held May 13 at 12:30 p.m., in the gardens of Dr. and Mrs. John W. Vann, 830 Glorietta Blvd.

Friendship to the community will be expressed by a gift from the club to the Coronado Hospital. Coronado merchants will express friendship by providing pot-of-gold surprises for guests attending the party.

Miniature rainbows and costumed hostesses will point the way to nooks featuring aprons, dolls, foods, plants and hidden treasures. Mysterious seeresses will predict fortunes while hostesses serve a luncheon.

A gigantic floral rainbow will span the scene and lend enchantment to the serenade of troubadours.

Mrs. Joseph T. Talbert is general chairman, assisted by Mrs. Joseph D. McKinney, Mrs. Luther Kennett and Mrs. Charles Allen.

Subcommittee chairmen are Mrs. W. C. Schultz, hostesses; Mrs. Leon Johnson, gift display; Mrs. A. A. Benedict, posters; Mrs. A. D. Challacombe and Mrs. Frank J. Woman's Club Garden Party Most Successful of All

Four hundred fifty women gathered in the garden of Dr. and Mrs. John W. Vann, 830 Glorietta Blvd., last Thursday afternoon for the Coronado Woman's Club "Rainbow Festival."

The luncheon and bazaar garden party featuring rainbow decorations and costumes was the largest yet given by the club. Strolling musicians entertained while Coronadans purchased the many delightful articles displayed at the various booths.

The sewing section's booth displayed many cute aprons and kitchen accessories with the Mmes. A. H. Foret, H. G. S. Wallace, F. E. Pierce, William C. Lemly and E. B. Rogers waiting on the many customers.

Telling fortunes was the job of the music section and the Mmes. George Whitney, Lewis Coxe, Mark Vilim, Hugh Hadley and John H. Campman took turns telling the future to all interested.

Delectable dishes went fast at the food booth, keeping the Mmes. Lyell S. Pamperin, W. E. Schaefer, Walter C. Stitt and Karl F. Smith extremely busy throughout the afternoon.

Coronado's gardens will be lovelier this summer as a result of the many plant sales made at the garden section booth. The Mmes. Russel Davis, Harry L. Perkins, Paul Corriere and Leo D. Baker were in charge.

The treasure chest sale under direction of the arts and crafts and afternoon book sections displayed numerous articles and the Mmes. Leslie E. Cridge, Arthur J. Seavey, Ross T. McIntire and Benjamin Shoemaker took turns selling.

The party was under the general supervision of the ways and means committee with Mrs. Joseph T. Talbert as chairman. Assisting her were the Mmes. Joseph D. McKinney, Luther Kennett and Charles Allen.

MUSIC SECTION

1953 - 1954

THE MUSIC SECTION OF THE CORONADO WOMAN'S CLUB HAS HAD AN INTERESTING YEAR. THE GROUP VOTED LAST FALL TO FOLLOW A WORKSHOP PLAN WITH ALL THE MEMBERS CONTRIBUTING IN SOME MANNER TO THE PROGRAMS. THE GENERAL PLAN OF STUDY WAS TO TOUCH, HOWEVER BRIEFLY, ON THE VARIOUS FORMS OF MUSIC, SUCH AS THOSE OF THE CLASSICAL PERIOD, THE ROMANTIC PERIOD, ETC.

WE HAD ONE GUEST PROGRAM, A DELIGHTFUL AFTERNOON OF CONTEMPORARY MUSIC PLAYED BY MRS. UMBARGER AND MRS. MAYBERG.

THE GROUP WAS INVITED BY THE SAN DIEGO MUSIC CLUB TO GIVE A PROGRAM ON THE 2ND OF MAY, A RETURN VISIT, SO TO SPEAK, FOR THE PROGRAM THEY HAD GIVEN FOR US LAST YEAR. FIVE OF THE MEMBERS OF OUR MUSIC SECTION MADE UP A VARIED PROGRAM OF PIANO, VOICE AND VIOLIN AND WERE RECEIVED WITH WHAT APPEARED TO BE REAL ENTHUSIASM.

THE CONNECTION BETWEEN MUSIC AND DOLLS IS SOMEWHAT VAGUE, THOUGH THE ARTISTIC TOUCH MIGHT BE INVOLVED. HOWEVER, BY SPONSORING A DOLL TABLE AND FOUNDING EHE FIRST CHAPTER ON THE WEST COAST OF THE "GRANNY CLUB" WE WERE ABLE TO CONTRIBUTE GENEROUSLY TO THE RAINBOW FESTIVAL.

THE MUSIC SECTION HOPES THAT MORE OF YOU WILL JOIN THE GROUP NEXT YEAR. THOUGH YOU, IN ALL MODESTY, MAY NOT CONSIDER YOURSELF A PERFORMER, YOU MAY CONTRIBUTE TO A PROGRAM WITH A BRIEF PAPER OR INFORMAL TALK ON THE MUSIC CHOSEN FOR THAT DAY. WE ARE SURE YOU WILL ENJOY IT.

A SONG OF SOUTHERN DISTRICT

From Imperial's fruited valley to Balboa's golden strand
Southern District stretches like an empire,
A mighty power in the land,
And the spirit of friendship enfolds us
Like the perfume of roses in Spring,
As shoulder to shoulder when friend meets friend
We lift our voices and sing:

CHORUS —

We are banded together for union and for streugth,
We march on together, the breadth and the length,
Of this fair land, the Southland, where skies are ever blue,
And we're singing, Soutern District,
we're singing just for you.

THE STAR-SPANGLED BANNER

Oh, say can you see, by the dawn's early light
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous
fight
O'er the ramparts we watched were so gallantly gleaming.
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.

Chorus

O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave.

Oh, thus be it ever when freemen shall stand
Between their loved home and the war's desolation.
Blest with victory an dpeace, may the heav'n-rescued land
Praise the power that hath made and preserved us a nation;
Then conquer we must, when our cause is just, and this
be our motto:
"In God is our trust."

GLORIOUS CALIFORNIA

California, Thee we sing,
From our hearts thy praise spring,
Let the echoes wake and ring,
Glorious California

Beauteous land of heart's desire,
Sun is thy baptismal fire
Softly singing winds thy choir,
Glorious California.

Ours a goodly heritage,
Written on the fairest page,
Known to any race or age,
Glorious California.

Ours to cherish as we build,
Ours to thrill as they have thrilled
Land of promises fulfilled,
Glorious California.

IMPERIAL COUNTY SONG

Words by Mary Janet Jacobs
Music by Ruth Teeple Reid

La Palma de la mano del Dios
Secure in the Palm of God's hand
Lies the great Imperial Valley
A fair and fruitful land.

Chorus—

Oh Imperial, beautiful valley
Reclaimed from the desert's sand
La Palma de la mano del Dios
In the Hollow of God's Hand.

It is set like a gem in the desert
In a circle of gold and of blue
It gleams an emerald at noonday
At sunset with the rainbow's hue.

Giving promise of a better tomorrow
A future of growth and increase
Our homeland our Valley Imperial
With homes and with hearts at peace.

ORANGE COUNTY SONG

Words by Ida D. Deakins
Music by Marion Wallace Miller

Set deep in the heart of the Westland
Is Orange County a jewel rare,
Mountains and hills guard your valleys
Where grow flowers that perfume the air
We may leave you awhile and wander,
We may leave, but we'll always return
To this jewel in the heart of the golden west
Orange County's forever our home.

Chorus—

Breezes from the sea caress thee,
Bringing peace, contentment and rest
God has given to you his blessing,
Loveliest homeland of the west.

Happiness dwells in your valleys,
In the homes beneath fruit tree and vine.
There singing hearts and gay laughter
Is your heritage rare and divine.
Other lands may call to us often,
Other lands may call us away,
But back to the lands where our heart is
Orange County forever we'll stay.

RIVERSIDE COUNTY SONG

(Tune—"My Bonnie")
By Mrs. Emerson Holt

Our County lies out near the desert
It reaches up into the hills
It's varied in beauty and merit,
Rich valleys, fruits, flowers bring thrills.

Chorus—

Always, always, Riverside County
for me, for me;
Always, always, Riverside County
for me.

Our County is lovely to look on,
The County we call Riverside,
United for all Federation,
And all the departments beside,

We travel afar just to meet you,
But back to our County we come,
And here is the reason we do so,
It's a mighty fine place for a home.

Dr. George — Thank you, Mr. Corwin. Good morning K.G.B. friends. Our guest this Saturday morning is Mrs. A. R. Boileau, Pres. of the Coronado Woman's Club, one of our more recent additions to our San Diego Federation of Womens Clubs, since the Coronado club was organized in 1947. But this years president, Mrs. A. R. Boileau, has been president of another organization, in which capacity I first enjoyed knowing her. Its always nice to greet old friends -

Mrs. Boileau — Hello, Dr. George, nice to see you again.

Dr. George — Nice to see you too, Mrs. Boileau.

Mrs. Boileau — You know, I have to laugh a little when I think of the time that you were telling about this federation radio program at a Soroptimist meeting in Coronado and you turned to me and asked me when I was going to be president of the Woman's Club so that I could appear on it. My reply was "not while I am working". I stopped working last January and by June I was elected to the presidency of the Woman's Club and here I am.

Dr. George — You were president of the Soroptimist Club at that time, were'nt you?

Mrs. Boileau — Yes, that was in 1947. Both the Woman's Club and the Soroptimist Club were chartered in that year. And the Woman's Club became a federated club within a month after organization.

Dr. George — Which club came first?

Mrs. Boileau — The Woman's Club in March, 1947. All of a sudden I became a club woman ~~without~~ hardly knowing how it happened.

Dr. George — Then you are a charter member of both clubs?

Mrs. Boileau — Yes, and altho in theory there is a difference in the clubs there is also a great similarity because our woman's club in Coronado is organized to do philanthropic word as well as advance the cultural and social interests of our members.

Dr. George — I know, I have heard many nice things about the Coronado Woman's Club, and what an active group they are considering that from the federation stand point they are almost the babies. How large is your club, now?

Mrs. Boileau — We have a hundred and fifty members at the present time and to a certain extent it's a restricted membership in that we only take in a certain number each year.

Dr. George — Why is that?

Mrs. Boileau — Well, mainly because there are only so many seats available at the place we meet, which is the Christ Episcopal Church Parish House. Our aim, however, is someday to really have a club that will be open to any woman in Coronado who is interested in our program and accomplishments. In other words, a real civic organization. Of course, that means a club house of our own with plenty of room. Coronado badly needs a nice community building that will be available to all groups for their social and cultural functions and the Woman's Club hopes to provide it some day.

Dr. George — What are you doing to accomplish this?

Mrs. Boileau — We have been raising money in various ways over the years and to date we have purchased a club house site and have it all paid for. Now we are working to get a nestegg so that we can build the club house. It may take quite a few years yet before we feel we can go ahead for we always give a percectage of any moneys we raise each year to some philanthropic project. Also part of our dues are budgeted for our Welfare and Civic committees. Actually, the club is busy all year thru individual groups in community and welfare service.

GEORGE, Congratulations: That is a real accomplishment for your future club house clear of debt.

Dr. George — Tell me about some of these projects of yours.

Mrs. Boileau The Civic Interest Committee, which is ablely headed by Mrs. John Blakely this year, stands ready to help in any community activity. So far they have worked with the Coronado Co-Ordinating Counsil on the Halloween festival and sponsored the dance for the teen-agers. Mrs. Blakely worked with a group in the high school on decorations and secured the orchestra, which was domated thru the Musicians Union; members of the club made cookies and with their husbands served as chaperons. Thru the Red Cross, the committee provided women to work wrapping packages for service men for Christmas at the United States Naval Air Station. Besides helping other organizations thruout the year, plans are now being made ona a program of their own. The Welfare Committee has been very busy considering our club year is only four months old, the first meeting is in October. This ommittee with Mrs. Ivan Miller as chairman is sponsoring a Girl Scout and a Camp Fire Girl Troop, has aided the Big Sister League with gifts of canned goods and clothing, distruted and collected the boxes for the T. B. Association in Coronado, is planning a "Ward Party" at the United States Naval Hospital this momth and last but not least has worked on their annual Christmas project which is aid to the Zia Indian children in New Mexica. May I tell you somthing about this? For the Coronado Woman's Club is very prowd of this activity and last year won the San Diego County Federation Award for it.

I'm Breathless - with this lovely narrative!

Dr. George Do Go ahead.

Mrs. Boileau At the December meetings the members bring gifts of toys, books, good used clothing or make donations of money. The Welfare committee uses the money to supplement the gifts and especially the books since we are trying to provide a library at the government school. One member this year made a donation of $20.00 which was used to purchase new sweaters. The things are packed and mailed to the school on the reservation and are distributed by the teacher there. In her letter to us after Christmas, the teacher told us that there were enough gifts so that each child could have two and that the new sweaters were probably the first new clothing that these children have ever had. From the letters we recieve we know that if it werent for the boxes from Coronado there would be no Christmas for the Zia children.

Dr. Geoge You mentioned something about getting the San Diego County Federation Award last year for this project. Didnt Coronado recieve several of them?

for SAFETY, SCHOLARSHIP, INDIAN AFFAIRS AND DEFENSE & ECONOMIC SECURITY

Mrs. Boileau Yes, four awards in all, and altho I cant personally take any credit for them, it makes me very proud to be associated with a group that is so active and does accomplish so much, and I think that's the way most of the members feel. ~~The awards were for Safety, Scholarship, Indian Affairs and Defence and Econonic Security~~

Dr. George That's a very good record, there are only ten awards given. What are some of your other activities?

Mrs. Boileau Like all womens clubs we have a social and cultural side, too. In our programs at our regular club meetings once a month we try to keep informed on what is going on in art, world affairs, the theatre, local affairs and the everyday things of interest, but our programs are not by any means all educational either, we try to get speakers or performers that are entertaining, too.

We always have a very pleasant tea hour following our meetings and so that we can include our husbands in some of our fun we have just had a dinner party for them. After all, they hear "woman's Club" all of the time at home so it's nice for them to know some of the people we are always talking about.

Dr. George That sounds like a good idea, what was it you told me you called them "the auxilary"?

Mrs. Boileau Yes, unofficially, of course, since they arent organized but I think they like feeling they belong too.

Dr. George How about sections? Do you have many?

Mrs. Boileau There are eight sections in all and I think that that's where the members enjoy themselves the most for they are small groups and have an opportunity to

Mrs. Boileau get better aquanted. Usually the monthly meetings are held in someones home with refreshments being served by the hostess.

Dr. George What are the different sections?

Mrs. Boileau We have two book sections, one evening and one afternoon, arts and crafts, sewing, speak-easy, which wauld correspond to a drama section, music, garden and a new section this year, spanish. This section meets every week with a regular Spanish instructor and has about 30 members. Incidently the sewing section works for the Red Cross at Christmas time making stockings for Santa Claus and children's clothing.

Dr. George How about federation? What are you doing there?

Mrs. Boileau We are aiding federation work in several ways. Three members of our club are County Federation appointees. Mrs. Merle R. Francis, our charter president, is chairman of the Legislative committee; Mrs. Joseph D. McKinney is Safety chairman; and Mrs. ~~Xxx~~ Walter C. Stitt, another of our past presidents, is a member of the budget committee. The club has made a donation to the reforestation program of the Conservation committee, and has taken up a collection for the Restoration of Independence Hall, which is the project of the General Federation of Women's Clubs, as you know. We were the hostess club in December to the County Federation presidents conference and we have

Mrs. Boileau been attending the County Board Meetings and find them inspirational and helpful. Mrs. Ritz, the president, is a darling.

Dr. George I can see you have a busy club, Mrs. Boileau, but you havent told me what your ideas and aims are this year.

Mrs. Boileau My theme, you might say, is friendlyness and participation by everyone. Altho, the committees plan the activities, the club as a whole votes on whether they want to do them or not. I think women like to have the opportunity to have their say. But we are stressing the social side of our club this year for we believe that all work and no play makes Jane a dull girl, too.

Dr. George Does that mean you are cutting down on your pojects?

Mrs. Boileau Not exactly, Dr. George, we are limiting our Ways and Means committee to two affairs this year. We have had one of them, a Christmas food sale and we are planning to have our annual garden party in May. It could be that we wont make quite as much money this year as we have in the past but I think it is too much to expect that every Ways and Means chairman will do a bigger job than the one the year before. Mrs. Joseph Talbert is our Ways and Means chairman, and she is most capable. In fact, I might say it is very gratifying to work with such a devoted group

Mrs. Boileau as the present board of directors. Each one does her assigned task with enthusiasm. It certainly makes life very simple for me.
However, we will still have a definite objective this year, We havent decided yet just what it will be. The Welfare and Civic Interest committees are planning a joint meeting and I am sure they will come up with some good suggestions to present to the club.

Dr. George Tt sounds ~~like~~ as to your Coronado group has a full club year anyway you look at it. Thank you for coming and telling us about the Coronado Woman's Club, Mrs. Boileau. Having these programs and hearing what the different county clubs are doing does make one realize that the woem in our communities are working for the American way of life.
